

OAKWOOD

Sectional

The Oakwood may look like the standard sectional found in transitional contemporary design because it is. At Rawhide, that only lends itself for you to make every possible customization you wish while not losing its classical element of design.

All our leather and fabric furniture can be customized to the size & colour of your choice. Also available as a condo sofa, loveseat, chair or sectional of any size. Bench made by Rawhide Leather Furniture in Toronto, Canada.
